

Countdown to the Show!! Please Mark Your Calendars....

3/26 - Week 12: Reach out.

Contact area businesses or family members to see if they would like to purchase an ad for our 22nd Annual Revue Souvenir Program.

4/2 - Week 11: Create an ad!

Put together a keepsake ad for your dancer to be printed in our souvenir recital program.

4/9 - Week 10: Sign Up to help backstage with your dancer's class.

EACH class must have 2-3 parent volunteers. Be a part of the excitement and watch your dancer perform closer than any other seat in the theatre!

4/16 - Week 9: Collect ads and email or bring to the studio.

Turn in all ads for the souvenir program by **April 20th**.

4/23 - Week 8: Practice! Practice! Practice!

Have a mini recital in your living room and have your dancer perform for family members, pets, or even stuffed animals. Performing in front of an audience can be scary, so the more opportunities for practice, the better.

4/30 - Week 7: BUN CLASS & Final tuition/fees due by May 7th.

The last 15 minutes of your dancer's class (ages 3-9) will be demonstrating how to do a proper bun for the show and for pictures. FINAL Statements have been sent out and all balances are due by May 7th, so that costumes can go home next week.

5/7 - Week 6: COSTUMES GO HOME!!!

Please take care of your dancer's costume and hang in a safe place away from little hands and furry friends. Tu-tu costumes should be hung upside down and performance tights should be kept in the package until the day of the show.

5/14 - Week 5: Picture time **SATURDAY, MAY 19TH!!******

We will be having GROUP photos taken of each class along with individual portraits. There is an \$18 sitting fee per dancer that must be paid prior to costumes going home and will be billed with your final statement. All group photos will be included in our souvenir program; all INDIVIDUAL photos will be emailed digitally for your personal use.

5/21 - Week 4: Online ticket sales begin for the general public!!

Tickets will be available for purchase beginning **May 21st at 6pm**. If you are interested in working backstage during either your dancer's show or our sister studio's show, Port Orange Dance (the same day, but earlier in the day) then see Miss Mandie ASAP.

5/28 - Week 3: School is almost out, but Dance is IN!! Plus... Order your recital flowers!

YES!! We will still be having regular classes thru our show on June 16th. Also, flower orders will be taken this week- with a NEW FLORIST. We will have the flower options on display in the waiting room for you to see the quality. Avoid the last minute hassle of having to run to the florist/store and order ahead of time!

6/4 - Week 2: Check your dancer's costume, etc.. **Ormond Library Performance 6/13 @ 2pm******

Make sure your dancer's costume(s) and tights are hanging together ready to go. Trim any loose threads, fluff out the tu-tu, etc. We also have a library performance on Wed this week.

6/11 - Week 1: It's Showtime!! JUNE 16th show at 7pm; Mandatory rehearsal that morning.

Your dancer will have class/rehearsal this week as well as rehearsal on Saturday morning before the show. Double check your dancer's "drop-off and pick-up" times for show day. Remember to pick up your flower order in the lobby prior to the show starting.
